

# ATLAS Advantages

**TeamTrade**

ARCHITECTS in Financial Markets

- Reduce and stabilise your data base by purging past deals in an XML format.
- Easier access to deals from an external base, dedicated to managing past deal records that now exist in a XML format.
- Search and access to stored deal records.
- Sophisticated search function facilitates a search using specific criteria.
- Guaranteed accounting using ascending XML native format with XSL/XSLT technology.

### 3. About Team Trade

Team Trade is the French leader in Trading Room IT Services. We accompany our European clients, primarily Investment Banks, in all their organisational challenges, including the building of new systems.

Team Trade has developed a high level of expertise in the installation of trading room software.

### 4. Our Clients

Team Trade works primarily with Investment Banks, Financial Institutions, Brokerage Firms, Fund Mangers, and Corporate Treasuries and Government Institutions.
